EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with George Snyder on October 6, 2004.

The application has been amended as follows:

On line 2 of claim 6, the phrase "for the insertion of several containers" was changed to -- for holding the plurality of containers--.

Claim 25 was canceled.

2. The following is an examiner's statement of reasons for allowance: Application serial no. 09/931,600 is being allowed since none of the prior art of record teaches or fairly suggests an apparatus for treating cytological or histological specimens having a running water station with an inflow and an outflow, wherein the running water station comprises a pan and a plurality of containers inserted into the pan, each of the containers including a connector fitting on a bottom wall for coupling the container to a water supply system, and the pan including a connector rail having a plurality of connector openings spaced therealong for receiving the connector fittings on the containers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
